

Violations of freedom of religion or belief

**SORTING
EXERCISE**

Which violations are women more likely to experience than men, and vice versa?

| | |
|---|--|
| Reduced access to education | Kidnapping |
| Reduced freedom of movement | Forced conversion |
| Reduced freedom to associate | Unequal family and other legal rights |
| Gender selective abortions and infanticide | Restricted access to places of worship |
| Employment or wage discrimination | Enforced ritual prostitution |
| Forced divorce | Restricted access to justice |
| Rape | Restricted participation in political life |
| Acid burnings | Early and forced marriage |
| Dowry deaths | Forced pregnancy |
| 'Honour' killings and honour-based violence | Female genital mutilation |
| Domestic violence | Forced sterilization |
| Imprisonment for religious or other beliefs and activities | Reduced access to healthcare |
| Targeting of religious leaders (eg through hate crimes or state sponsored violence) | Coercion from the state, the family, the community or an employer to wear (or not wear) specific dress |
| Confinement in the home as punishment | Restricted access to religious education/training |
| Online hate speech | Police or security service harassment |
| Trafficking | Assault or murder |
| Verbal and physical street harassment | Isolation from family members/friends |
